

## Jet Pump Lubricant

Klotz Jet Pump Lubricant meets and exceeds manufacturers warranty requirements for jet pump lubrication. Jet Pump contains TechniPlate® Synthetic Lubricity Systems to protect against expensive jet pump failures. Jet Pump is compatible with OEM oils. Klotz Jet Pump Lubricant will challenge and outrun the competition in the following ways:

- **Anti-foam additives maintain lubrication efficiency**
- **Preserves seals for reduced maintenance and downtime**
- **Protects against wear and lowers bearing temperatures**
- **Contains red leak indicator**

### CHARACTERISTICS

Film Strength	10	1 = failure - 10 = no wear
Pour Point	0°F	
Flash Point	560°F	
Viscosity @ 100°F	12.90 cSt Typical	
Product Color	Red	
Chemical	100% Pure Synthetic	
Biodegradable	60%	

### CERTIFICATIONS

None

### DIRECTIONS

Check jet pump for proper lubricant level and contamination every 25 hours of use. Follow manufacturers recommendations for servicing and replacement. Fill jet pump lubricant reservoirs to manufacturers recommended level.

### COMPATIBILITY

Will blend with petroleum oils and synthetic lubricants.

### PART NUMBERS

KL-511      20 - 4 oz. BOTTLE CASE

### RECOMMENDED APPLICATIONS

For use in all Marine Jet Pump drive applications
