

Foam Filter Oil

Klotz Foam Filter Oil is for all street, off-road, and racing foam air filter applications. Foam Air Filter Oil is easy to apply and improves airflow. Super viscous formula forms on oil barrier to trap micron-sized particles that would normally find their way through air filters. Will not gum up and dry out. Waterproof formula prevents clogging when wet. Klotz Foam Filter Oil will challenge and outrun the competition in the following ways:

- **Improves airflow**
- **Traps dust, dirt, and sand**
- **Filters out one micron sized particles**
- **Blocks out moisture and water**
- **Waterproof formula will not clog**
- **Klotz Red color for easy application**
- **Environmentally safe formula**

CHARACTERISTICS

Pour Point -10°F
Flash Point 460°F
Product Color Red
Particle Filter 1 Micron
Biodegradable 40%

CERTIFICATIONS

None

DIRECTIONS

Wash filter with Klotz KL-608 Air Filter Cleaner to remove dirt and oil. Shake well, and apply Klotz Foam Air Filter Oil evenly on new or cleaned filter; squeeze out any excess oil. Excessive oil may cause engine to run rich momentarily. Never operate engine without air filter and filter oil.

COMPATIBILITY

Will blend with petroleum oils and synthetic lubricants.

PART NUMBERS

KL-606 10 - 15.25 oz. AEROSOL CASE
KL-606 55 GL 55 GAL DRUM

RECOMMENDED APPLICATIONS

For use in all foam air filters
